Re: Revision of Junaluska Sanitary District [JSD] Customer Policy

To all Landlords and Property Managers,

Due to the recent revision of the JSD Customer Policies adopted by the JSD Board on October 31, 2016, all new applications for service to your rental property will require a Customer Utility Service Agreement signed by both the Customer (renter/lessee) and the Landlord/Property Manager. This change will not affect current accounts, but will apply to all new applications for service. (Ref. JSD Customer Policies Art. A – Sec. 6)

A copy of the revised JSD Customer Policies are available at the office or online at [jsdwater.org](http://jsdwater.org). If requested a copy can be mailed to you.

Thank You,  
Junaluska Sanitary District
